There are two other radio donations and two gift certificates. He got permission to use Don and Marties name to rent the American Legion. He thinks it may be around \$50.00 but will find out. He also will get a few small items for ham fest but will not go over \$100. Kathy suggested asking the airlines to donate an Anchorage to Kenai ticket. Ed will advertise to other clubs, in the Clarian and at KSRM,

For field day Ed can tow a trailer but needs to know what size ball is needed. Kathy will check. Kathy called for a meeting for next week to work on Field day. The meeting on the 9<sup>th</sup> was canceled.

Continued discussing was done on June 16, 2022 with Jenne, Huck, and Kathy present.

Tom says the trailer can go to his house after field day. Canope, table, chairs, tub of misc paper goods items will all come to field day. Kathy suggested grilling hot dogs and having tickets for people who help and donate to field day and charging a nominal fee for people stopping by if they want to eat. Huck will bring plaque to trailer, Set up time 10:00 AT Kenai behind Louies. Don and Bill will help. Field day is the last Saturday and Sunday in June.
